Pre-Wedding Trial

The trial is our first meeting and the time to determine the perfect make-up and hair style for you. We will discuss exactly what you have in mind for your wedding day. Don't worry if you are unsure about what you want, I will walk you through this process. I am passionate about creating flawless complexions and enhancing your very best features.

The trial is very important, both for your peace of mind and for me to get a feel for exactly what you want. We will work together at the trial to create your perfect look!

The trial will usually take place at my studio in Sydney where I have proper lighting and set up. I take appointments on most weekdays during the day and early evening, with my last appointment being around 4:30-5pm. If you would like to book a trial, please propose a few dates and times that suit you and I will do my best to work around your schedule. Most trials take approximately two hours, although everyone is different and it may take a little longer. I allow up to 1.5 hours for make-up or hair only.

- Both Hair & Make-up : \$225

*Long and/or thick hair is an additional \$25 & will be quoted at trial
